## CERTIFICATIONS

Responsible distribution: its objective is to ensure the safety of all those involved in the distribution chain and is granted by the NACD (National Association of Chemical Distributors).

Companies for welfare: guarantees that all employees receive a minimum income of 6,500 gross pesos per month.

## OUR MISSION

Be the distributor of raw materials and integrated comprehensive solutions preferred by customers and suppliers.

Our stock shares are listed on the Mexican Stock Exchange (BMV) under the ticker **POCHTEC**

ISO 9001-2015: defines the foundations for quality management systems, continuous improvement processes, and safety.

**Responsabilidad Integral**<sup>®</sup>  
El compromiso de la Industria Química

SARI (Integral Responsibility Management System): awarded with the minimum fulfillment of 80% of the 220 requirements which are grouped into various aspects evaluated.

## CERTIFICATIONS

Sedex (Ethical Trade and Responsible Sourcing): evaluates business practices that are socially responsible, that protects the environment and workers' rights.

La marca del  
manejo forestal  
responsable

Forest Stewardship Council: certification seeks to ensure that certified paper and wood products come from responsibly managed forests. Pochteca is the first FSC® certified paper distribution company in Mexico and this places us at the forefront of environmental care.

## ADDED VALUES

- Timely availability of product.
- “One-Stop-Shop”: the broadest product portfolio in the market.
- Technical support pre and post sales.
- R&D laboratories that allow new product development and specialized raw material applications
- Inventory programs tailored to customer needs .
- Credit support for the customer’s working capital cycle.
- Nationwide logistic and shipping solutions.
- Safe and sustainable supply chain.
- Recycling and recovery of solvents.
- Development of blends, dilutions and formulations.
- Business intelligence to minimize risks and design efficient supply strategies.
- Efficient order processing system.
- Packaging, bottling and wrapping solutions.
- Consistent quality from world-class suppliers that standardizes productive processes.
- Safety stock and HSSE.
- Environmental solutions.

# FOOD

## ADDITIVES

- Acetic acid
- Adipic acid
- Ammonium bicarbonate
- Calcium chloride
- Calcium propionate
- Caramel color
- Clarifying
- Dextrose monohydrate
- Erythritol
- ESSICUM®
- Fumaric acid
- Gluconodeltalactone
- Lactic acid
- Malic acid
- Monosodium glutamate
- Phosphates food grade (calcium, potassium and sodium)
- Phosphoric acid
- Polyols (mannitol & maltitol)
- Potassium chloride
- Potassium sorbate
- Potato starch
- Propionic acid
- Silicone based defoamers
- Sodium acid sulfate
- Sodium benzoate
- Sodium bicarbonate
- Sodium erythorbate
- Sodium lactate

- Sodium metabisulfite
- Sodium propionate
- Sorbic acid
- Sorbitol (liquid)
- Soy lecithin (liquid and powder)
- Specialized sodium chloride
- Sulfates food grade
- Sweeteners
- Tanic acid
- Titanium dioxide FG
- USP Glycerin / Kosher

## CITRUS

- Citric acid
- Sodium citrate

## FUNCTIONAL INGREDIENTS

- Ascorbic acid (vitamin C)
- Caffeine
- Citrates (calcium, magnesium, potassium and zinc)
- Citrus fiber
- Sodium gluconate
- Taurine

## DAIRY

- Corn starch (natural and modified)
- Edible lactose
- Demineralized whey
- Ice cream mixes and yogurt
- Maltodextrin
- Milk protein concentrate (MPC 70)
- Cocoas
  - Natural
  - Alkaline (shades: brown, red and black)
  - Organic (natural, alkaline)
- Nonfat dry milk
- Serum and milk permeate
- Sweet whey
- Vegetable fats
- Vegetable oil (canola, palm and soy)
- Whey protein concentrate (WPC 34 and 80)
- Whey protein isolate (WPI 90)

## TEXTURE SYSTEMS

- Alginates
- Carboxymethylcellulose (CMC)
- Carrageenan
- Guar gum
- Pectines
- Silicon dioxide
- Xanthan gum

 **Castrol**  
**INDUSTRIAL**

 **ALUSOL**

 **CYLTECH**

 **SYNTELO**

 **TRIBOL**

 **OPTIGEAR**

 **BRAYCO**

 **HYSOL**

**READY TO USE  
ANTIFREEZE**

**F34<sup>®</sup>**

# LUBRICANTS & FLUIDS

## HIGH PERFORMANCE LUBRICANTS

- Chain oils
- Conventional lubricants
- Fire retardant hydraulic fluids
- High performance gear oils
- High performance greases
- High performance hydraulic oils
- Special lubricants
- Spindle oils

## LUBRICANTS FOR GENERAL INDUSTRIAL APPLICATIONS

- Circulation oils
- Compressor oils
- Gear oils
- Hydraulic oils
- Oils for sliding guides

## METALWORKING FLUIDS

- Anticorrosive coatings
- Chain oils
- Cutting oils
- Detergents
- Fire retardant hydraulic fluids
- Fluids for deformation processes
- Fluids for grinding and cutting
- Soluble cutting fluids
- Special lubricants
- Synthetic cutting fluids
- High performance gear oils
- High performance greases
- High performance hydraulic oils
- Spindle oils

# CHEMICALS

## ACETATES

- Sodium acetate

## ACIDS

- Adipic acid
- Boric acid
- Chromic acid
- Cresylic acid
- Formic acid
- Glycolic acid
- Hydrochloric acid
- Nitric acid
- Oleic acid
- Oxalic acid
- Phosphoric acid
- Stearic acid
- Sulfamic acid
- Sulfuric acid

## ADDITIVES

- Arbocel®
- Castor oil
- Coalescent Pochtecanol (DN-12)
- Defoamers
- Methyl ethyl ketoxima

## AGRICULTURAL SUPPLIES

- Adherents
- Agrochemicals
- Fertilizers (commodities)
- Slow release fertilizer pellets
- Specialty soluble fertilizers

## ALKALIS

- Aluminum hydroxide (alumina)
- Calcium hydroxide
- Caustic potash
- Caustic soda

## AMINES

- Diethanolamine (DEA)
- Dimethylaminopropylamine (DMAPA)
- Monoethanolamine (MEA)
- Monoisopropylamine (MIPA)

- Neutralizing amines
  - Morpholine
- Triethanolamine (TEA)
- Triisopropylamine (TIIPA)
- Triisopropanolamine (TIPOA)

## BORATES

- Anhydrous borax
- Borax decahydrate
- Borax pentahydrate
- Sodium metaborate
- Zinc borate

## CARBONATES

- Barium carbonate
- Calcium carbonate
- Kaolin
- Potassium carbonate
- Sodium carbonate

## CHLORIDE

- Ammonium chloride
- Benzalkonium chloride
- Calcium chloride
- Cetrimony chloride
- Ferric chloride
- Magnesium chloride
- Potassium chloride

## COAGULANTS

- Organics
  - Epamine
  - Polydadmac
- Inorganic coagulants
  - Aluminum hydrochloride
  - Ferric chloride
  - Aluminum polychloride
  - Aluminum sulfate

## DYES

- Acid dyes
- Basic dyes
- Direct dyes
- Dyes to cuba
- Oil dyes

## FLOCCULANTS

- Cationic
- Anionic

## FLUORINATED

- Ammonium bifluoride
- Sodium fluorosilicate
- Sodium silicofluoride

## GLYCOLS

- Glycerin
- Monopropylene

## INORGANIC PIGMENTS

- Fluorescent
- Iron oxide
- Pearlescents
- Titanium dioxide

## NITRATES

- Ammonium nitrate
- Calcium nitrate
- Lead nitrate
- Potassium nitrate
- Sodium nitrate
- Sodium nitrite

## OILS

- Pine oil
- Mineral oil

## ORGANIC PIGMENTS

## OXIDANTS

- Trichloro isocyanuric acid
- Chlorine dioxide
- Sodium chlorite
- Calcium hypochlorite
- Sodium hypochlorite
- Sodium permanganate

## OXIDES

- Amine oxide
- Magnesium oxide
- Manganese oxide
- Zinc oxide

## PEROXIDES

- Hydrogen peroxide
- Persulfates
- Sodium perborate
- Sodium percarbonates

## PHOSPHATES

- Diammonium phosphate
- Disodium phosphate
- Monoammonium phosphate
- Monopotassium phosphate
- Monosodium phosphate

- Sodium hexametaphosphate
- Sodium tripolyphosphate
- Trisodium phosphate dodecahydrate
- Tetrasodium pyrophosphate

## PIGMENT PREPARATIONS

## SILICONES

- Defoamers
- Release agents
- Silicone emulsions
- Silicone fluids
- Silicones food grade

## SULPHATES

- Ammonium bisulfite
- Ammonium sulfate
- Barite
- Copper sulphate
- Ferrous sulfate
- Globular sodium bisulfate
- Hydroxylamine sulfate
- Magnesium sulphate
- Manganese sulfate
- Sodium hydrosulphite
- Sodium hyposulfite
- Sodium metabisulfite
- Sodium sulfate
- Sodium sulfite
- Zinc sulfate

## SURFACTANTS

- Cetyl alcohol
- Cocoamido propyl betaine
- Coconut amida (superamide)
- Dodecylbenzenesulfonic acid (DBSA)
- Dodecylbenzene sulfonate
- Ethoxylated lauric alcohols
- Glyceryl monostearate
- Nonyl ethoxylated phenol
- Polyethylene glycol (PEG)
- Polysorbates
- Sodium lauryl ether sulfate (LESS)
- Sodium lauryl sulfate
- Stearyl alcohols
- Tridecyclic alcohols
- Xylene sulfonate sodium

## TEXTURIZING

- Acrylic
- Carboxymethylcellulose (CMC)
- Guar gum
- Modified amides
- Polyanionic cellulose (PAC)
- Rheological agents
- Xanthan gum

## VARIOUS

- Activated carbon
- Bases for fabric softeners
- Filtration aids (diatomaceous earth)

- Bentonite
- Biosolve
- Bulldozing of metals
- Calcium, potassium and sodium formate
- Carbomers
- Carbon tetrachloride (TCC)
- Corrosion inhibitors
- Creoline
- Degreasers
- Edta
- Formol
- Graphite
- Iodine
- Ion exchange resins
- Optical bleach
- Sodium bromide
- Sodium cyanide
- Sodium and calcium lignosulfonate
- Sodium gluconate
- Moisturizer L-77
- Reverse osmosis membranes
- Sodium metasilicate
- Sodium silicate
- Sodium sulfide
- Pretreatment for paint
- Products for hydrocarbons
- Products for emergency response
- Urea (industrial grade)
- Vibrating compounds - burnishing
- Water based paint removers
- Zeolite
- Zinc powder

# SOLVENTS, BLENDS AND RAW MATERIALS FOR COATINGS

## ALCOHOLS

- Butyl alcohol / butanol
- Ethyl alcohol
  - 96%
  - Anhydrous
  - Deodorized
- Isopropyl alcohol / isopropyl alcohol (IPA)
- Methyl alcohol / methanol
- N-propyl alcohol / n-propanol

## ALIPHATIC ESTERS

- Butyl acetate
- Ethyl acetate
- Isopropyl acetate
- N - propyl acetate

## ALIPHATIC HYDROCARBONS

- Heptane
- Hexane
- Mineral spirits
- Naphthas
- No benzene-hexane
- OMS (odorless mineral spirit)

## AROMATIC HYDROCARBONS

- Aromatic 100 y 150
- Toluene
- Xylene

## BLENDS OVER DESIGN

## CHLORINATED

- Methylene chloride
- Trichloroethylene
- Perchloroethylene

## EMULSIONS AND RESINS

- Acrylic
- Alkyd resin
- Polyester resin 60 and 80
- Styrene- acrylic
- Vinyl
- Vinyl - acrylic

## GLICOETHERS

- Diethylene glycol butyl ether (butil carbitol)
- Methyl Ether Acetate propylene glycol (PMA)
- Monoethylene glycol butyl ether (butilcellosolve)
- Propylene glycol methyl ether (PM)

## GLYCOLS

- 1.3 Butylene glycol
- Diethylene glycol
- Monoethylene glycol (MEG)
- Monopropylene glycol (IND USP)

## INERT OR LOADS

- Kaolin
- Natural calcium carbonate
- Precipitated calcium carbonate
- Silicon dioxide

## KETONES

- Acetone
- Cyclohexanone
- Methyl ethyl ketone (MEK)
- Methyl isobutyl ketone (MIBK)

## MONOMERS

- Butyl acrylate
- Ethyl acrylate
- Glacial acrylic acid
- Styrene monomer
- Vinyl acetate monomer (VAM )

## OTHER

- Acrylamide
- Coalescent
- Dimethylformamide
- School glue
- Industrial glue
- PH regulator
- Vinyl sealer
- THF

## PLASTICIZERS

- Dibutyl phthalate ( DBP )
- Dioctyl phthalate ( DOP )
- Phthalate-free plasticizers

## POLYOLS

- Paraformaldehyde
- Trimethylolpropane (TMP)

## SPECIALTY CHEMICALS

- Benzoic acid
- Phthalic anhydride
- Maleic anhydride
- Trimethylolpropane (TMP)

## SPECIAL SOLVENTS BLEND ADYDSOL®

- Denatured alcohol
- Solvents for inks (flexography and rotogravure)
- Solvent purge
- Industrial degreasers
- Gassolvent (tire release agent)
- Ink solvent
- Label remover
- Paint remover
- Dielectric solvent

## THINNER

- Standard thinner
- Acrylic thinner (automotive refinishing)
- American thinner
- Synthetic turpentine
- Special thinners

## OIL & GAS

**Petroprim**

Specialty products focused on improving performance and providing effective solutions for customers in the sector.

### WITH PETROPRIM® WE CONTRIBUTE TO OIL-FIELD OPERATIONS:

- Drilling & completions
- Cementing
- Production & stimulation
- Enhanced oil recovery
- Refining and natural gas processing

### BY OFFERING:

- Logistics services
- Chemical engineering
- Blending and formulations
- Commodities supply
- High specialty products supply
- R&D laboratory and an agreement of cooperation with the Mexican Institute of Petroleum.

## METAL TREATMENT

- Cleaners, degreasers and polishes
- Corrosion inhibitors
- Paint strippers
- Strippers and rust removers
- Surface finishes (blackened and blued)

## PAPER

pochteca<sup>®</sup>  
papel

### PRODUCT LINES

- Cardboard
  - Multilayer
  - Sulfated
- Paper and cardboard / textured and colored
- Self-adhesive papers
- Covered and not covered papers
- Digital papers and substrates
- Washers
  - Wash

### SERVICES

- Paper cutting and manufacturing solutions
  - Cut to customized dimensions
  - Rewind
  - Paper reaming
  - Custody of materials
- Training courses
- Storage

### PACKAGING SOLUTIONS

- Anti-corrosive packaging
- Industrial
- Food

### FSC® CERTIFIED PAPERS

FSC® certification seeks to ensure that certified paper and wood products come from responsibly managed forests. Pochteca is the first FSC® certified paper distribution company in Mexico and this places us at the forefront of environmental care.

# LOGISTIC SERVICES

Soluciones  
Pochteca en  
 Logística

NO MATTER THE PRODUCT, WE HAVE THE KNOWLEDGE AND EXPERIENCE TO HANDLE:

- General load
- Food grade products
- Dangerous products

WE ALSO OFFER SPECIALIZED PRODUCTIVE SERVICES:  
PRODUCT TRANSFER AND BOTTLING OF MINOR PRESENTATIONS

- Bagging
- Labelling
- Bottling
- Drumming
- Re-packaging

## BLENDS AND GRINDS

General load, dilutions, inorganic chemicals, solvents

## OTHER SERVICES

- Pallet storage
- Confinement
- Cross docking
- Nationwide distribution in 500 cities
- Import and international freights
- Management of inventory and control of cardex
- Recycling and recovery of solvents
- Customer's collection at our shop counter
- Tank rental for liquid product
- Commodities safety
- Outsourced transportation

## RECOVERY AND DIRTY SOLVENTS CLEANING

Dirty solvent recovery generated by industries to be cleaned and reused rationalizing the use of materials, resources and reduce costs. It is a sustainable solution to the dirty solvent.

- **Retirement:** dirty solvent collection without confinement, optimization of inventory costs and storage.
- **Cleaning:** reduction in solvent purchases, optimization of storage resources and waste control.
- **Sustainable solvents recovery (RSS):** minimum addition of pure solvent for product adjustment to original parameters; reduction in the final product cost without compromising quality.

# ENVIRONMENTAL SOLUTIONS

Soluciones  
Ambientales  
Pochteca

## OUR SERVICES:

- Environmental solutions for industrial waste
- Comprehensive management of industrial waste
- Management of special industrial waste management
- Fiscal destruction
- Brand destruction
- ZWTL program (Zero Waste To Landfill)
- Industrial waste collection and transport
- Recovery and purchase of recyclable waste
- Collection of hazardous waste
- Industrial waste treatment
- Final disposition
- Other services:
  - Sanitization
  - Pits cleaning
  - Sludge collection
  - Tank cleaning

## WE HAVE:

- National reach
- Own collection centers
- Technical advice
- Experience in handling dangerous chemical
- International and national certifications

## EMPAQUE Y MAQUINARIA

### PALLETS

- New wood pallet
- Reconditioned wood pallet
- Plastic pallet
- One way plastic pallet
- Plastic pallet for storage

### CONTAINERS

- New totes
- Reconditioned totes
- Closed drums
- Open drums
- Bottles (5, 10, 20, 50, 60 L)

### PACKAGING

- Flat film
- Shrink film
- Plastic sacks
- Polyolefin
- Kraft sacks
- Raffia sacks

### STRETCH FILM

- Manual stretch (Cal. 50, 60, 70, 80)
- Automatic stretch (Cal. 60, 70, 80)
- Colors stretch
- Premium stretch

### MACHINERY

- Lantech Serie G
- Lantech Q300
- Lantech S300
- Parts
- Maintenance
- Training

Una empresa de la familia Pochteca®

## CONJUNTO LAR

We are a Mexican company certified in ISO 9001-2015 with more than 30 years in the market, dedicated to the distribution of chemical products for home and personal care industries.

### OUR ADDED VALUES

- High international quality products
- Repackaging (white room for specialties packaging)
- Timely service
- National coverage
- Operational efficiency
- Support and technical expertise
- Courses

### OUR PORTFOLIO

- Acids
- Active ingredients
- Alcohols
- Aquestrants
- Antimicrobial agents
- Bases
- Carbomer
- Colors
- Conditioners
- Emollients
- Emulsifying
- Essences
- Extracts
- Fine fragrances
- Solar filters
- Moisturizers
- Neutralizing
- Oils
- Opacifiers and pearling
- Oxidizers
- Preservatives
- Resins
- Silicones
- Solubilizers
- Surfactants
- Thickeners

### OUR BRANCHES

- Bolívar
- Ecatepec
- Oriente
